Murder, and History***
by **Ellen Crosby, mystery series author**

Please join author Ellen Crosby as she shares how her fascination with local history has found its way into each of her five mysteries. The museum played a role in the research for her most recent book *The Riesling Retribution* (Scribner, 2009)! Ms. Crosby gained help from the tour guides at the Ball's Bluff Battlefield, attended a Civil War re-enactment, and interviewed, local historian James Morgan.
